

Another Quinoco oil bill for \$2,500 was received on December 3rd. The Finance Committee was confident that with Trustee help the Church apportionment could be fully paid for 2015. End-of-the-year giving and lower oil prices (\$1.58 per gallon) could also reduce or eliminate the deficit in the 2015 church budget.

Next Meeting: The Finance Committee will meet on Thursday, January 7, 2016
at 7:00 p.m.
