Trustees responsibilities:

Maintaining all church properties

Managing the portfolio: Ray Barker and Don have had a conversation about what the job involves. A meeting with the broker is set for January 16th at 2pm. We are currently invested 60% stocks and 40%bonds. This is to insure as much income as possible

Overseeing the church's buildings and grounds: Luisa is doing a good job at assisting the groups that use the facilities

Review church insurance policy: After Feb we will update the policy

Brian's Angels update: Things are going well. They did have a break in. One window was broken. They will have it replaced. Some \$5 gift cards were missing. They are still talking about putting in cameras

Some priorities for the coming year:

Replace blinds and a window at the parsonage. Finish applying for grant to fix the clock tower. Replace floor in classroom. Get a large dumpster and do some thorough cleaning of storage areas.

Respectfully Submitted,

Carol Rivard
