Prayer Chain

Initially, each group will define their goals.

Membership will update the church directory. Need to determine who attends service regularly; out of town but active; homebound. Letters will be sent to those who haven't attended in some time.

Welcome will train new greeters.

Nurture: Several suggestions were made -

Church Box. Diane will redesign the box to be used for depositing requests, needs, announcements etc. The purpose and location of the box should be included in the weekly bulletin.

Family Tree. Ask Laura to take photos

Good News. Present "good news" at service; i.e. birthdays, happy news, kudos for a job well done, etc. Can these items be put on the screen? Could a lay leader make announcements? Need to decide where in the service this should be done.

Next meeting – March 16, 9:30 am.
