

Trustees Meeting June 8, 2021

Attendance: Chris Wilson, Bill Thibodeau, Don Workman, Cliff Schilling, Luisa Gladu, Jerry Rivard, Roger Michaud, Carol Rivard, Pastor Lee

Good things happening at church: New Members, People coming back, Coffee hour outside, Singing hopefully in September

Parsonage: Leaking gutters, Leaking basement, Bill had someone come and seal the leak, Need to power wash the house and wooden back stairs

Looking for a contractor to power wash the house. Bill will contact a friend.

Received two quotes for the gutters; Scott Hart quoted \$3995, Kelly Brothers remodeling quoted \$1650. We chose Kelly Brothers

Fox Pest control asked for another \$10 a month. Bill will get our renewal date

A new Microwave was purchased and installed

We need to keep a closer eye on the parsonage.

Church Building; The yellow no parking signs were taken down by Chris.

Brian's Angels annual meeting is tomorrow night. We will renew their contract.

Brian's Angels has a tractor out back. They used it to clean up the border of the property.

They have asked to use room 100 and 101. We agreed but no new furnishings. Nothing can be left in the room when they are done.

We will ask to be compensated with a larger donation

They put in two new outside doors. Chris has asked to have them painted the same color as the rest of the doors on the building

Chris checks on them every day

Portfolio: See attachment

Internet: Tried to work with Comcast to upgrade our system but got nowhere. We decided to have Frontier upgrade our existing system with two new modems. One in the office and one in the sanctuary. The thought was to be able to stream service better

Respectfully submitted,

Carol Rivard, Secretary
