

Trustees Meeting August 8, 2021

In attendance: Chris Wilson, Jerry Rivard, Luisa Gladu, Carol Rivard, and Pastor Lee Don Workman submitted a USB summary report. See attachment.

Legacy Gift Report: Chris researched the bequests to the church. Tim Krauss submitted a 2002 Trustees report that listed all the bequests. Don and Chris have agreed to use this as a baseline. In 2002 the restricted fund had a baseline of \$546,000. We have not had a significant bequest in some time.

Chris Ziogas from the Roberts Fund has donated \$5000 to the church to offset the cost of housing Brian's Angels.

If anyone has time we could use help tiding up the property. BARC does what we ask but some things are for us to do.

Roof over the education wing and the music room has been replaced. Chris paid the last check this past Friday. Carol will ask Kelly Brothers Remolding to give a quote on replacing ceiling tiles inside the building where the water came in.

We would like to form a subcommittee to research selling the parsonage. We could use the money from the sale to support a housing allowance for the pastor and their family. We need to come up with the pros and cons of taking such action. What does the conference require? Does the conference have claim to our property? Insurance needs? What does the pastor want?

The subcommittee does not have to be all trustees.

The decision would go to council.

Respectfully Submitted,

Carol Rivard
