

Trustees meeting

October 5, 2021

Attendance: Chris Wilson, Don Workman, Luisa Gladu, Rita Fasci, Jerry Rivard, Cliff Schilling, Carol Rivard, Pastor Lee

Finance: Don Workman reported there is a Morgan Stanley Fund that needs to be reviewed with the broker. He will set up a time to get together. Chris reported there is no longer a checkbook for the Book of Remembrance fund. There is only a statement account. Looking at the accounting fund balance report, there are a few accounts that need to be dissolved and the money needs to go to the general fund. Finance committee will look into it.

Bill Thibodeau submitted a statement for the work he paid for that has been done at the parsonage. Total amount \$993.75

Inspection of the parsonage: Chris met with the DS and pastor Neffler, Pastor and Mrs. Lee. The inspection went fine. We received a 4.5 out of 5 ranking.

Selling or keeping the parsonage: Tim Krauss advised Chris that the trust clause extends to the parsonage. Conference would acquire all properties. What is our incentive to keep up the properties? Many churches are going to the global church. At this time we will not be forming a sub committee to look at the pros and cons of owning the parsonage.

Building Groups: All groups are following all the safety protocols. 7th Day Adventists said they mailed their donations. The office had not received them.

Brian's Angels is doing well. They want to add more storage racks to the storage room.

Nick Valenti will be using the kitchen to prepare food for his food truck.

Chris and Jerry tried to pull up the tiles in the music room. Chris rented a machine. Painting of the walls has been completed

Respectfully Submitted, Carol Rivard
