

Trustees meeting

December 6, 2021

In Attendance: Chris Wilson, Rita Fasci, Don workman, Cliff Schilling, Roger Michaud, Carol Rivard, Jerry Rivard

Excused: Bill Thibodeau and Luisa Gladu

Chris reviewed the pending BSA bankruptcy law suit. The mediators have come up with a settlement that would leave us vulnerable to future law suits. Conference has asked all trustees to oppose this proposed settlement. In the future we can change the vote to yes if the settlement states we cannot be sued by individual abuse-related law suits.

We have not chartered a Boy Scout troop in over 30 years. Still we could be held liable to any individual law suits. There are about 9000 United Methodist Churches that chartered troops. United Methodist Church and Latter-day Saints make up the majority of churches that have chartered BSA.

Rita made a motion to vote no on the proposed settlement.

Jerry seconded the motion.

The vote was a unanimous no.

Respectfully submitted,

Carol Rivard
