

Trustees Meeting, September 11, 2022

Attendance: Chris Wilson, Carol Rivard, Jerry Rivard, Bill Thibodeau, Don Workman, Cliff Schilling, Luisa Gladu

Finance: \$3000 was given for a scholarship from the Mason account. The remaining money was moved to the scholarship account.

There is \$5000 in cash in the Seery account. If it continues to grow we should take the gains and reinvest. Chris suggested we take the extra \$2500.00 from the roofing job and use it for the end of year expenses. Don made a motion to give the money to finance for end of year expenses. Jerry seconded the motion. Motion carried.

Please see attachment for Don's finance report

False alarms: We have had 6 false alarms since the beginning of the year. So far no charges have incurred. We discussed cameras. Not at this time.

Brian's Angels: Increased donation to \$1200 a month. They requested to use the youth room. Chris denied their request.

Smetana: Nick is now using the kitchen three days a week. Their donation is now \$700 a month. Nick requested a 9 month agreement. Chris agreed to it.

Support groups: Currently they donate \$50 a month. Luisa will inform them that it will be increased to \$60.

7th Day Adventist will be increased from \$275 to \$300 a month.

BBW will be increased from \$150 a month to \$200

Chris asked for help keeping the grounds clean.

At our last meeting we discussed collaborating with Asbury UMC. Chris met with their leaders and will come up with a date for such meeting.

Respectfully Submitted,

Carol Rivard, Secretary
